

Cambridge Indymedia presents:

7.30pm Sunday 24 October

film @ The Geldart, Ainsworth St

"Outfoxed" examines how media empires, led by Rupert Murdoch's Fox News, have been running a "race to the bottom" in television news. The film explores Murdoch's burgeoning kingdom and the impact on society when a broad swath of media is controlled by one corporation. Former employees talk about how they were forced to push a right-wing point of view or risk their jobs.
