

# RECLAIM THE NIGHT

**FRIDAY 29TH DECEMBER  
IPSWICH  
TOWN HALL STEPS, CORNHILL  
7 PM**

**In memory of the five women recently murdered  
we ask people of all genders, sexualities, ages  
and races to march together against violence. To  
demand the right to walk the streets without fear.  
To share their thoughts, fears, hopes, dreams and  
love with each other. To show that united we will  
never be broken.**

There will be a candle lit vigil followed by a walk to the red light district.
